## Product Introduction:

This Waterproof walkthrough Metal Detector is a kind of security door for export, which is made of imported fire board material and has the special merits of light weight and waterproof. And with electromagnetic fields, when people walk through this waterproof metal detector, metal article such as various control tools, weapons, metal products, electronic products and other metal goods will be explore. Once it detects metal items it will give an alarm.

## Product Functions:

- 1.Improved digital and analog circuit design to insure the testing is more stable and reliable
- 2.Using high quality alloy and special materials,waterproof,fireproof and shockproof
- 3.Very light LED in the front of door for displaying the area of metal detected
- 4.Sound and light alarm at the same time,the volume of alarm is adjustable
- 5.Sensitivity of very area can be adjusted independently
- 6.Intelligent traffic and the alarm counter
- 7.Password-protected,just allowing the professional to operate
- 8.Improved loop to reduce interference to eliminate blind spots
- 9.Based on the operating system of digital information processing technology
- 10.Adjustable digital frequencies to enable multiple security doors work at the same time

## Product Parameters:

- 1.Alarm way:Audio Alert,and LED Location lamp work at same time .
- 2.Detection Zone: 6 zone
- 3.Display ways: 8 status led display
- 4.Sensitivity:0-99 adjustable
- 5.The main body with waterproof function.
- 6.Tunnel Size:200(L)\*70(W)\*56(H)cm
- 7.Dimension:222(L)\*82(W)\*67(H)cm
- 8.Net Weight:55kg/set Gross Weight: 65.5kg/set
- 9.Package Size: Main Body: 230\*72\*25cm(2 piece /carton)  
Host Machine:78\*47\*28cm(1 piece/carton)

## Feature and Application:

Fireproof,waterproof ,and shockproof.multi-zone alarm.it can exactly detect the location of metals that walk through person takes.Especially designed for factory ,Exhibition Areas for outdoor check,such as hardware and Electronic manufacturer check if the person steal the metals,or Apply for large public Events,check the person if take leather weapon
